Hello,

I spend a lot of time in Naperville and would absolutely love it if a Skin Ovatio Med Spa was opened in the area. I have to drive all the way to Chicago to visit a med spa so one in the area would be very convenient and a great addition to the community!

Sincerely,

Rida Choudhry

Hello,

I am writing in hopes that the city approves the opening of Skinovatio Med Spa. I live in Naperville and have to drive all the way to Chicago to get my Skin treatments and laser treatments and with traffic it can take a very long time, about over an hour there and back. It would be great to have this option open in Naperville and I believe will be loved by the community as they offer great services.

Thanks,
Iqra Choudhry

My girlfriend and I live around Glendale Heights and have been visiting Skinovatio in Chicago for the past couple of years to purchase our favorite skincare products and also to indulge in hydrafacial treatments. With the new Skinovatio location opening up in Naperville, it will be extremely convenient for us to continue our visits. I am confident that the community will also appreciate this new addition.

All my best,

Asim
