DESCRIPTION OF PROPOSAL/USE (use a separate sheet if necessary)

See following page for description.

Naperville CUSD 203 wishes to demolish the existing transportation building on 5th Avenue and construct a new transportation building and a new transportation garage. Total building area will be approximately 12,400 sf. In addition, the project will include parking for approximately 146 drivers and staff, visitors and handicapped parking. The project is expected to include underground storm water detention. At the adjacent existing bus parking lot, the existing bus garage will be demolished and the bus parking lot will be reconfigured to accommodate the entire fleet of buses.

To accomplish the above, Naperville CUSD203 seeks approval of the following:

(1) revocation of the M.O.V.-Ross Joint Venture PUD as it relates to the subject property. The property will then revert to R3 zoning.;

(2) a variance to Section 5-10-3:4.3.2 and Section 5-10-3:5.2.4 to eliminate the requirement for a continuous fence and landscape buffer measuring 6 ft. tall along the north property line; and

(3) a variance to Section 6-6E-7 to eliminate the required 15 ft. interior side yard along the east property line.

Because this proposed development is occurring on District owned property, permitting will be through the Regional Office of Education. The District acknowledges that there will be requirements related to public utilities and zoning through the City of Naperville.

DISCLOSE ANY ORDINANCES, COVENANTS, DEED RESTRICTIONS, OR AGREEMENTS RECORDED AGAINST THE PROPERTY WHICH CURRENTLY APPLY TO OR AFFECT THE PROPERTY.
