Dear Jennifer,

Per our conversation on Friday, January 19, 2024, the Naperville Heritage Society is requesting a Class T liquor license expansion to cover the Birck Family Innovation Gateway and corresponding patios at Naper Settlement. The expanded license will restrict the selling and/or serving of beer, wine, and spirits to the Birck Family Innovation Gateway and Pre-Emption House. Liquor will only be served by B.A.S.S.E.T trained staff or B.A.S.S.E.T trained bartenders.

As agreed, the Birck Family Innovation Gateway is to be a revenue generating building. A pro-forma was provided to City leadership in October 2022. The pro-forma assumes the expansion of the liquor license as detailed above. Now that the completion of the building is a couple of months away and inquiries for wedding reservations and other rentals are coming in, Naper Settlement is moving forward with the process to secure the appropriate license.

Please note that rental dates will vary, but times will be between 12 pm to 10 pm. Donor events and exhibit openings will be held typically in the evenings between 5 pm to 8 pm.

Thank you,

Macarena Tamayo-Calabrese
