The TAB meeting was called to order at 7:00 p.m.

B. ROLL CALL:

Present: Fischer, Gustin, Howenstine, Melaniphy, Overholt, Seeberg,

Absent: Preissig, Meyer

Staff Members: Andy Hynes, Deputy Chief Jason Arres

D. REPORTS AND RECOMMENDATIONS:

- 3.** Recommend approval to establish traffic-control signal intersections on Trumpet Avenue and rescind signal control at the 248th Avenue and Wolf's Crossing Road intersection

Hynes provided an overview of the recommendation.

Public Comment: None.

The Transportation Advisory Board was supportive of the request. Mr. Gustin asked if the diagonal portion of Wolf's Crossing Road had been vacated. Hynes confirmed that the road was vacated and removed. Gustin asked if this request was intended to update the code. Hynes confirm this was a code update to reflect the newly activated traffic signals. The code update is brought forward after activation of the traffic signals as that timing is difficult to predict.

A motion was made by Melaniphy, seconded by Overholt, to approve the recommendation.

Ayes: Fischer, Gustin, Howenstine, Melaniphy, Overholt, Seeberg

Nays: None

Absent: Meyer, Preissig
