LAS VEGAS CANNABIS LOUNGE

Vegas Cannabis Lounge will provide adults 21+ an upscale venue to safely and legally consume their cannabis products without the fear of getting busted or fined. As you drive around Las Vegas you will see many recreational cannabis dispensaries scattered throughout city selling every kind of marijuana product you can think of. The most commonly asked question from a tourist when purchasing recreational marijuana is where can I legally consume my cannabis in Las Vegas? It's a question that's tough to answer because the law says that you can only consume marijuana in a private residence. Without marijuana consumption lounges in Las Vegas, where does that leave visitors? Las Vegas Marijuana Lounges are necessary to provide a place for tourist to consume their cannabis. Consumption is prohibited in hotels, especially ones holding gaming licenses. If you consume cannabis in a Las Vegas hotel and casino you risk hefty fines and possible removal from the property. Gaming is federally regulated and has taken a clear stance in their opposition to recreational and medical marijuana. They don't support it or permit it on the properties. Vegas Cannabis Lounge will provide a legal place for consumption for tourist and residents alike!
