consider: more attractive, artistic planters;  
 consider: tagging at least 1 tree of a species with a Morton Arboretum type tree tag;  
 Consider: an artistic variety of bicycle parking structures, even get them sponsored like the Kothly one.  
 Consider: a map + directory of CBD on Washington near to Benton + Central Park entrance!

I like having planters in the buffer space. Peds will feel ~~a~~ more protected from traffic (especially during rush hour!) on Washington St. but there should still be space for outdoor dining on Chicago Ave.
