Dear Chairwoman Martinez,

The Forest Preserve District of DuPage County recently received a Notice of Public Hearing regarding Dynacom Management's request of a parking variance to accommodate medical offices and to occupy currently vacant office space on the subject property. We appreciate receiving timely notification of such requests that may have an impact on District property and thank you for the opportunity to comment.

District Staff has reviewed the information provided by the petitioner and does not have any comments. We thank you for notifying us of this proposed project, and we hope you will allow us the opportunity to review any plans as this project moves forward. If you have any questions, please do not hesitate to call me at (630) 933-7235.

Sincerely,

Kevin Stough
