Sydney Smith

Transportation Project Manager – TED Business Group
City of Naperville
400 S. Eagle Street
Naperville, IL 60540

Subject: **MAIN STREET – PARKING MODIFICATION REQUEST**

Dear Sydney,

The Downtown Naperville Alliance Board of Directors discussed this topic at our recent board meeting.

The group agreed with City Staff's recommendation to move the multi-use loading zone on Main Street to the west side of the street, changing the existing multi-use loading zone to two-hour parking. The group liked the idea of moving all the short-term spaces to the same side of the street.

Thank you for your review of this request and recommendation. We support it.

Sincerely,

Katie Wood
Executive Director
Downtown Naperville Alliance
