Dear City Council,

I am writing to request a one-year extension on the variance's (File number 210589B) I received on my property 506 Spring Ave. by the city council on May 19<sup>th</sup>, 2021. I inquired about the length of approval and extension with city staff on May 17<sup>th</sup>. I would like to have this item placed on the agenda for the June 6<sup>th</sup> city council meeting.

When we were granted the variances, we acquired architectural drawings and began to search for a contractor to complete the work. Due to the pandemic and the lack of labor and building materials we were not able to start this project during the two-year timeline.

Thank you,
