CITY OF NAPERVILLE PUBLIC MEETINGS UPDATE:

On Friday, June 12, 2020, an amendment to the Open Meetings Act was signed into law. This new law replaces the gubernatorial executive order concerning the Open Meetings Act and allows public bodies to temporarily conduct meetings remotely during a state of emergency, subject to certain requirements, including a determination by the head of the public body that an in-person meeting is not practical or prudent.

On Tuesday, June 16, 2020, Mayor Chirico issued an executive order determining that in-person meetings of the City Council and the City's boards and commissions are not currently practical or prudent due to the Covid-19 pandemic. Gustin asks if there is a 25 mph city wide ordinance for streets that do not have a speed limit established

Deputy Engineer Andy Hynes explains that the city does not have an ordinance and that the set speed limit for those streets is 30 mph per the Illinois Vehicle Code.

Seeberg asks if this means that every street will get signage.

Prousa explains that not every street will get signage but that the entrances to the larger subdivisions would have speed limit signage.

Melaniphy asks if there is an audit done that finds out if signage got put up when these subdivisions are being built.

Prousa explains that signage does not get put up by the developers because it is assumed that the speed limit is 30 mph per the Illinois Vehicle Code.
