BACKGROUND:

On July 1, 2024, the Public Act 103-0601 was signed into law, which, in part, provides that an authority may charge an annual recurring rate to collocate a small wireless facility on an authority utility pole located in a right-of-way that equals \$270 (rather than \$200) per year.

DISCUSSION:

Staff recommends passing the ordinance amending Section 9-1E-5 of the Naperville Municipal Code to increase the annual recurring rate to collocate a small wireless facility on a City-owned pole from \$200 to \$270 per year.

FISCAL IMPACT:

Permit revenues are expected to increase concurrent with the fee increase.
