Eagle Street, Naperville, IL to consider the establishment of Special Service Area No. 35 for streetscape improvements on Washington Street from Benton Avenue to Chicago Avenue in the downtown area in the City of Naperville. A copy of said Ordinance is available for review at the Naperville City Clerk's Office at 400 South Eagle Street, Naperville, IL 60540. The services to be provided through proposed Special Service Area No. 35 include the design, construction, construction management, financing and all professional services necessary to install new streetscape improvements within the public right of way as described in the Ordinance, including the exhibits thereto. Said streetscape improvements include, but are not limited to sidewalks, brick paver amenity areas, benches, built-in seating, raised planters, curb and railing, and decorative lighting. The special services are for new construction of streetscape improvements. The funds received through the Special Service Area may be used by a person or entity other than the City of Naperville to implement the proposed special services. Maintenance of the Special Service Area improvements will be the responsibility of the City of Naperville during the life of Special Service Area No. 35 and thereafter as such maintenance is partially funded by a separate special service area.

At the public hearing, the City will consider the imposition or levy by the City of an ad valorem tax on property within proposed Special Service Area No. 35 (SSA No. 35). The proposed amount of the tax levy for the special services to be provided by SSA No. 35 as described and referenced herein for the initial year for which taxes will be levied within SSA No. 35 shall be three hundred thousand dollars (\$300,000).
