WRITTEN COMMENT ONLY

Brian Rohr - Naperville continues to be recognized as "a best place to live". An element of this notoriety is the attractiveness and feel of the community. Awards to, funding support for and Council attention / focus on supporting historic preservation will go a long way in maintaining our community desirability and reputation.

Philip Buchanan (Naperville Preservation) - Hello Mayor Chirico, Council Members, Mr. Krieger, staff and residents I rise tonight for a couple of quick comments... Agenda I. 22-0647 City Landmark procedures Sadly, Naperville is not a leader in this area. We are leaders in so many other areas. Public Schools, the Park District and city government. But not here. We need to do better. Let's support more landmarks and preservation efforts and become leaders in this important area. To close I'd like to thank Councilman Dr. White for his leadership in this past weekend Juneteenth celebration. Supported by the Park district, our local representatives, US Congressman Foster and Congresswoman Underwood, Edwards Hospital and North Central College. Naperville DEI Manager Dr. Williams spoke. Council members Holzauer and Sullivan were there. A beautiful day for this family event to commemorate an important day our country's history.

Anne V Swanson - I have lived in the Historic District since before it was a Historic District. When I moved here, Naperville was proud of its history and historic buildings. The first visit from my next door neighbor was to explain the

petition to make the Historic District. That pride in our history has eroded over the years and I feel we are lesser for it. I would like to see that pride in our history return with support for the Historic District, not derision, and incentives to restore our historic homes, not destroy them.
