Re: ICN Petition. PZC 20-1-052

Dear Ms. Lord:

Please allow this letter to request a continuance of the public hearing relative to the above matter be continued from July 7, 2021, until August 4, 2021. The reason for this request is because one of the expert witnesses my clients retained, Al Maiden, suddenly and unexpected passed away last weekend from complications arising from a severe heart attack. Al's involvement and potential testimony as an accomplished and experienced land planner was critical to our case.

I have attached an affidavit from Chris Heinen, a colleague of Al's who worked on the case with him in support of this request. Chris, who has recently since taken another job at the Village of Hawthorn Woods, will fortunately be able to step in but needs adequate time to get up to speed and furthermore has a professional conflict on the evening of the 7th. Yesterday I spoke to Len Monson to advise him of this request, and it is my understanding he has no objection to the same.

Assuming this request is granted, we have also agreed that all parties would reserve their right to make their presentations and conduct the necessary examination/cross-examinations of witnesses, if necessary.

Len and I will also use the next several weeks to continue our discussions, with the goal of arriving at an amicable resolution among our clients.

Please let us know if you have any questions.

Thank you.

Very truly yours,

SHAPIRO & ASSOCIATES LAW
