**Re: Naperville Park District's Monthly Field Report for the Riverwalk Commission  
Regular Meeting**

---

### **Field Report for January, 2025:**

- All of the holiday decorations have been taken down and returned to storage
- We completed about 2 weeks of snow removal operations
- Staff is pruning trees and shrubs throughout the Riverwalk
- 2 new sections of railing were installed along Eagle Street to match the new railing that was installed a few years ago, see attached pictures. Now the entire length is the same style railing.
- We are working on a new volunteer program idea where we would designate a specific day and time of each month to volunteer projects. We are hoping we may get recurring volunteers to join us each month to assist with a variety of tasks. Our first meeting will be in April, specifics will be announced in the coming weeks.
- For the Riverwalk Commission AMP walk, I would like to once again schedule 2 days to complete the Riverwalk, splitting at Eagle Street. From the group, is it better to schedule 2 days in a row, or on 2 separate weeks? I am looking at early to mid May.

### **Carillon Update – (NPD)**

- Closed for winter

### **Other points of interest:**

- The Centennial hockey rinks were open for 13 days in January
