Dear Mayor Chirico,
Councilwoman Anderson, Boyd-Obarski, Brodhead, Gustin and
Councilmen Coyne, Hinterlong, Krummen, White,

Please do not annex Route 59 (3 lots on RT. 59) and the World Mission Church unless you zone the Church Residential like the majority of the churches in Naperville. Aero Drive is a residential street and does not need B2 or commercial zoning adjoining it.

Aero Estates is a unique asset to our community, the City Of Naperville! I have included a recent article from the Naperville Sun "Still Flying" for you.

Sincerely,

Tom and Roberta Boecker Priz
(18 year residents on Aero Drive and
property and business owners within the city
for over 50 years)

City Clerk
Please add this to the
agenda. Roberta Boecker Priz
