13. **WHEREAS**, there have been many other mass shootings during the last decade, and it has become an unacceptable fact of life that no municipality is exempt from the reality that its citizens are at risk.
14. **WHEREAS**, commonplace in mass shootings are the use of lawfully purchased assault weapons and large-capacity magazines. The U.S. Department of Justice describes assault weapons as "semiautomatic firearms with a large magazine of ammunition that were designed and configured for rapid fire and combat use." Assault weapons are exceptionally deadly firearms. Assault weapons and large-capacity magazines have immense killing power.
15. **WHEREAS**, like many of the municipalities that have encountered mass shootings involving assault weapons and large-capacity magazines, Naperville has a vibrant commercial area, public parks, restaurants, movie theaters, music venues, parades, elementary, middle and high schools both public and private, colleges and universities, houses of worship of many denominations, and other places where members of the public gather with an expectation of safety.
16. **WHEREAS**, the Second Amendment to the United States Constitution provides that: "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed". However, no

fundamental right is set forth in the United States Constitution for persons or entities to engage in the commercial sale of assault weapons or large-capacity magazines.

17. **WHEREAS**, in 1994, the U.S. Congress passed the Federal Assault Weapons Ban (“AWB”), a United States federal law which prohibited the possession and sale of assault weapons and large-capacity magazines (limiting magazines to ten rounds). Several constitutional challenges were filed against provisions of the ban, but all were rejected by the courts. The AWB expired in 2004, in accordance with its sunset provision, and attempts to renew or replace the AWB have been unsuccessful.
18. **WHEREAS**, currently, seven states and Washington, D.C. prohibit assault weapons. Federal appellate courts have decided four cases concerning the Second Amendment and assault weapons, each time reaching the same conclusion that assault weapon bans are constitutional (the D.C. Circuit upheld the District of Columbia's ban in 2011, the Second Circuit upheld New York and Connecticut laws in 2015, the Seventh Circuit upheld Highland Park's local ordinance in 2015, and the Fourth Circuit upheld Maryland's ban in 2017).
19. **WHEREAS**, the Illinois legislature has limited the ability of public bodies to enact laws to protect the public from assault weapons and large-capacity magazines that are used in mass shootings that have devastated many communities and countless individuals.
20. **WHEREAS**, in 2013, the Illinois General Assembly enacted legislation amending the Firearm Owners Identification Card Act (“FOID Act”). As part of the 2013 amendment of the FOID Act, the state legislature granted municipalities only ten (10) calendar days to enact local ordinances regulating the possession or ownership of assault weapons.
21. **WHEREAS**, if a municipality could not, or did not, pass a local ordinance within the ten-day window, the legislature provided that a municipality could not thereafter pass an ordinance pertaining to the possession or ownership of assault weapons:

Any ordinance or regulation, or portion of that ordinance or regulation, that purports to regulate the possession or ownership of assault weapons in a manner that is inconsistent with this Act, shall be invalid unless the ordinance or regulation is enacted on, before, or within 10 days after the effective date of this amendatory Act of the 98th General Assembly. [430 ILCS 65/13.1(c)]

23. WHEREAS, the City of Naperville did not pass an assault weapon ordinance regulating the possession or ownership of assault weapons within the ten days allotted by the state legislature.

24. WHEREAS, the City of Naperville is a home rule unit of local government under the laws and Constitution of the State of Illinois.

25. WHEREAS, under the Constitution of the State of Illinois, home rule units of government have broad authority to pass ordinances and promulgate rules and regulations that protect the public health, safety, and welfare of their residents unless the state legislature specifically states that state legislation preempts home rule authority.

26. WHEREAS, the 2013 FOID Act preempts home rule municipalities relative to *regulation of the possession or ownership* of assault weapons in a manner that is inconsistent with that Act. However, the FOID Act does not preempt home rule municipalities from regulating the Commercial Sale of Assault Weapons and Large-Capacity Magazines within their jurisdiction. Therefore, the City retains its broad home rule authority to legislate with respect to commercial sales.

27. WHEREAS, in an effort to protect the public health, safety, and welfare, the City of Naperville has a clear and compelling interest in exercising its home rule authority as set forth herein.

NOW THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF NAPERVILLE, DUPAGE AND WILL COUNTIES, ILLINOIS, in exercise of its home rule authority that:
