City of Naperville's Beautification Project - Traffic Controller Boxes

Portner requested the assistance of the Commission with one of the City's Beautification projects. The City has been working with the Neuqua Valley High School Art Department in creating designs that will appear on five traffic controller boxes near the school in south Naperville. Several designs have been submitted by students and the Commission has been asked to assist in choosing the designs that will appear on the controller boxes. The designs are scheduled to be sent to the Commission within the next month with additional details and instructions.
