V. New Business

- a) Chief Marshall stated he met with members of the Aurora Police Department to discuss the collaboration/merger of the Emergency Telephone System Boards. During that meeting, he was presented with documents recommending the Aurora/Naperville merger. Those documents were given to Deputy Legal Director Mike DiSanto to review. In response to Jerry Eisner's question about the goal of the merger, Chief Marshall stated it will enhance the role of support to each agency and to protect the Emergency Telephone System Boards from being absorbed by others. Kalah Considine stated that at the present time, Aurora is part of the Kane County Emergency Telephone System Board and they receive their funds from them. She asked if the State of Illinois was notified and in agreement with Aurora leaving Kane County and merging with Naperville's Emergency Telephone System Board. Jerry Eisner expressed his opposition to the merge and asked that committee members be given as much advance notice as possible of the City Council meeting date where this topic will be discussed.
