Re: **Naperville Park District's Monthly Field Report for the Riverwalk Commission Regular Meeting**

Field Report for January, 2018:

- Staff continues to rehab shepherd crook lights and benches.
- All of the holiday decorations, including the Santa House have been taken down and returned to storage.
- Staff continues cut back some perennials and remove invasives from the Sindt Woods.
- We have contracted with two growers to provide the annual flowers for the Riverwalk. We expect delivery the week of May 14th.
- Staff has had limited snow removal opportunities.

Carillon Update – provided by Brittany Malatt (NPD)

- Nothing scheduled

Other points of interest:

- The skating rinks are currently back open. The end of the skating season is fast approaching. Historically, having ice much after February 15th has been a problem due to the intensity of the sun.
- The sled hill at Rotary Hill is back open.
