City of Naperville – City Council Policy  
30-day Designated Working Capital Reserve for Electric and  
Water/Wastewater Funds  
April 4, 2003

The City of Naperville's (the City) commitment to its citizens and business community is to continue providing exceptional quality services currently and in the future. In order to achieve the City's mission, certain reserves must be established, which provide sufficient, but not excessive, levels of liquidity to allow for efficient and effective operations.

- **30 day designated working capital reserve-**  
The Electric and Water/Wastewater Funds of the City will maintain a designated reserve equal to 30 days of operating expenditures excluding capital and debt service payments.
- The interpretation and application of this Policy shall be within the sole discretion of the City Council which decision shall be final. Notwithstanding anything to the contrary in the foregoing provisions of this Policy, any motion, ordinance or resolution hereafter adopted by the City Council, or any other action taken by the City shall not be invalidated, impaired or affected in any way by non-compliance or alleged non-compliance with any one or more provisions of this Policy.
