Dear City of Naperville:

Please accept this letter as a formal request to move the hearing regarding our project, CityGate Centre – North, from June 6<sup>th</sup>, 2018 to the next available date. The subject of the hearing involves a Major Change to the Monarch Landing PUD. There have been recent updates to the project that we would like Planning and Zoning Staff to have ample time to review in advance of the hearing.

I hope you accept my request. Please feel free to contact me with any questions.

Respectfully submitted,
