## **Title 4 - Business and License Regulations**

### **4-2-11: - LICENSE CLASSIFICATIONS:**

**Section C-7. Manufacturer (Craft Distiller):** Authorizes a craft distiller, as defined at section 4-2-1 above, to manufacture alcoholic liquors (except beer or wine) in the original package for consumption off the premises only; to sell at retail alcoholic liquors manufactured on the premises; to maintain facilities on the premises for the manufacture of alcoholic liquors as authorized by the Illinois State Liquor Commission; and to store and distribute the manufactured alcoholic liquor on and from the licensed premises. The portion of the licensed premises dedicated to the manufacturing of alcoholic liquors shall be segregated from the remainder of the premises and shall not be generally accessible to the public. Any public tours of the manufacturing portion of the licensed premises shall be subject to public safety restrictions imposed by the Fire Department.

Any samplings of alcoholic liquors manufactured on the premises, as defined under Section 6-31 of the Illinois Liquor Control Act (235 ILCS 5/6-31), shall be permitted during the authorized hours of business under the following conditions:

- A. The location of samplings shall be limited to the retail portion of the licensed premises;
- B. A Class C-7 licensee may conduct product sampling for consumption at licensed premises only, provided that up to three (3) samples, consisting of no more than one-quarter ( $\frac{1}{4}$ ) ounce of alcoholic liquor may be served to a consumer in one day. Notwithstanding the foregoing provision to the contrary, a Class C-7 licensee may offer for sale and serve more than one drink per person for sampling purposes provided the total quantity of the alcoholic liquor sampling package, regardless of the number of containers in which the alcoholic liquor is being served, does not exceed one (1) ounces of alcoholic liquor. A price may be set of such samplings but in no event shall samplings be given away;
- C. All applicable taxes including sales tax shall be collected and paid on all revenue realized from samplings.

Limited to one (1) license. There is a four thousand dollar (\$4,000.00) fee required with the initial issuance of a Class C-7 license and an annual renewal fee of three thousand dollars (\$3,000.00).

The following additional requirements apply to all Class C licenses:

1. Every application for a Class C license, whether an initial application or a renewal application, shall have attached thereto a site drawing of the proposed licensed premises, drawn to scale, showing the following:
  - a. The location of all rooms, segregated areas, including outdoor seating areas and the square footage thereof;
  - b. The seating capacity of rooms or segregated areas where the public is permitted to consume food and/or alcoholic beverages and/or live entertainment as allowed in Class C-1 licenses shall be provided.
2. The site drawing is subject to the approval of the local liquor control commissioner and building commissioner. The local liquor control commissioner may impose such additional restrictions as he deems appropriate on any licensee by noting same on the approved site drawing or as provided on the face of the license.
3. A copy of the approved site drawing shall be attached to the approved license and is made a part of said license.
4. It shall be unlawful for any Class C licensee to operate and/or maintain the licensed premises in any manner inconsistent with the approved site drawing. See section 4-2-12, "Outdoor seating license." Any outdoor seating area shall be subject to the requirements as stated in section 4-2-12.

## **Chapter 6 - Alcoholic Liquor**

### **Sec. 6-8. - Classification of licenses**

#### **18. Class R—Distillery license.**

- a. Authorizes the manufacture, storage and distribution of alcoholic liquors (except beer or wine) on and from the licensed premise. It also authorizes on-site sampling and sale by the drink of the on-site manufactured alcoholic liquor by persons of at least twenty-one (21) years of age. The retail sale of alcoholic liquor is limited to the product manufactured on premise.
- b. Class R may offer product sampling for consumption, provided that up to three (3) samples, consisting of no more than one-quarter (1/4) ounce of alcoholic liquor may be served to a consumer in one (1) day. Alcoholic liquor for product sampling shall be dispensed only in containers provided by the licensee.
- c. Sampling and on-premise sale by the glass may occur at the licensed premise during supervised tours or at an approved designated non-adjacent space within the same building.
- d. Class R licensees must provide food service whenever alcoholic liquor is available for on-premise consumption sales. The licensee is strictly liable for complying with all provisions regarding food service.
- e. The portion of the licensed premises dedicated to the manufacturing of alcoholic liquors shall be segregated from the remainder of the premises and shall not be generally accessible to the public except during scheduled public tours.
- f. Any public tours of the manufacturing portion of the licensed premises shall be subject to public safety restrictions imposed by the fire department.
- g. Every Class R licensee must have a valid distiller license from the State of Illinois and maintain the facilities on the premises for the manufacture of alcoholic liquors as authorized by the Illinois State Liquor Commission. Every licensee shall maintain accurate records as to the total volume of alcoholic liquor manufactured on the premises, total volume sold for off-premise consumption and total volume sold on-premise. Licensee shall produce said records to the city upon request.
- h. Video gaming on the premises is prohibited.
- i. All applicable taxes including sales and beverage tax shall be collected and paid on all revenue realized from the sale of the alcoholic liquor.
- j. The annual payment fee for such license shall be two thousand and seventy dollars (\$2,070.00).

## **Chapter 4 - Licenses and Business Regulations**

### **Section 4-22: - LICENSE CLASSIFICATIONS; PERMITS:**

*Class J—Craft distiller license (production, storage and retail sale):* Class J license shall authorize the (a) on-site production and storage of specified types of alcoholic liquor, as determined by the local liquor control commissioner, in quantities not to exceed fifteen thousand (15,000) gallons per year; (b) sale of such alcoholic liquor for consumption off the licensed premises; and (c) on-site sampling of such alcoholic liquor. Prior to the issuance of a Class J license, the licensee must obtain a valid craft distiller license issued by the State of Illinois. All products produced and stored on the licensed premises must be registered with the state liquor commission. It shall be unlawful for a Class J licensee to sell a container of alcoholic liquor for off-premises consumption unless the container is greater than or equal to three hundred seventy-five (375) milliliters in volume. The production and sale of alcoholic liquor for consumption on the licensed premises is expressly prohibited, except this class of license shall allow the delivery of such alcoholic liquor, without a charge, by the licensee in limited amounts for sampling purposes only, pursuant to the following conditions:

- a. Sampling is permitted only in conjunction with pre-scheduled guided tours of the licensed premises. Such tours must be for the sole purpose of promoting the sale of the alcoholic liquor produced and stored on the licensed premises.
- b. All sampling shall be attended and supervised by a BASSET-certified site manager and only in a designated on-site accessory tasting room.
- c. Licensees shall not provide more than three (3) free samples, each of which shall not exceed one-quarter ( $\frac{1}{4}$ ) fluid ounce, to any person in a single day.
- d. Sampling shall be subject to such further regulations as deemed necessary from time-to-time by the local liquor control commissioner.

It shall be unlawful for the holder of a Class J license to provide a sample of or sell any alcoholic liquor before the hour of 10:00 a.m. or after the hour of 10:00 p.m. on any Sunday through Thursday; or before the hour of 10:00 a.m. or after the hour of 11:00 p.m. any Friday and/or Saturday. The annual fee for such license shall be one thousand nine hundred dollars (\$1,900.00). There shall be no more than one (1) Class J license(s) issued at any one (1) time.
