**Re: Robert and Kristin DeAngeles, 1214 Needham Road, Naperville, IL
Permit Application for Privacy Fence**

To Whom It May Concern:

We live across the street (Springhill Cir.) from Mr. & Mrs. DeAngeles. On April 11, 2019, we talked with Mr. DeAngeles concerning their application for a permit to construct a privacy fence. Mr. & Mrs. DeAngeles wish to install a 6-foot privacy fence for the main purpose that their two dogs do not see people walking down the sidewalk and start barking at them, in addition to their general enjoyment of privacy. We hereby support in favor of said application. We find no issue or problem whatsoever with their desired location, height and use of a privacy fence.

We encourage you to grant the DeAngeles' permission to construct a 6-foot privacy fence.

Very truly yours,
