Eagle Street, Naperville, IL 60540 to consider the establishment of proposed Special Service Area No. 31. At the hearing, the City will consider the imposition or levy by the City of an ad valorem tax on property within proposed Special Service Area No. 31 ("SSA No. 31"). Proposed SSA No. 31 is located in the downtown area of the City and is proposed to be comprised of the property having the parcel index number and common address set forth in Exhibit A below. The legal description of the property within proposed SSA #31 is also set forth in Exhibit A below. The public hearing may be adjourned by the City Council to another date without further notice other than a motion to be entered upon the minutes of its meeting fixing the time and place it will reconvene. A copy of this notice, and an accurate map of SSA No. 31, are on file and available for public inspection at the City of Naperville, Transportation, Engineering, and Development Department located at 400 S. Eagle Street, Naperville, IL 60540.

The purpose of the formation of SSA No. 31 is as set forth in Ordinance No. 18-157, "An Ordinance Proposing and Settling a Public Hearing for the Establishment of Special Service Area No. 31 for Streetscape Improvements Near the Southwest Portion of Block 423 in the Downtown Area in the City of Naperville." The services to be provided through the Special Service Area include the design, construction, construction management, financing and all professional services necessary to provide structural, aesthetic, and safety improvements to the streetscape within the public right-of-way adjacent to the property within SSA No. 31. Said streetscape improvements include, but are not limited to wider sidewalks, carriage walks, benches, built-in seating, raised planters, curbs, pavers and decorative lighting. The special services are for new construction of streetscape improvements. Maintenance of the improvements will be the responsibility of the City of Naperville during the life of the Special Service Area and thereafter as such maintenance is partially funded by a separate special service area. The funds received through SSA No. 31 will be used by a person or entity other than the City of Naperville to implement the proposed special services.

The proposed amount of the tax levy for the special services to be provided by SSA No. 31 as described and referenced above for the initial year for which taxes will be levied within SSA No. 31 shall be \$27,000. The maximum rate of taxes to be extended within SSA No. 31 in any year, for a maximum period not to exceed fifteen (15) years, shall be \$14.95 per annum per one hundred dollars (\$100.00) of assessed value as equalized against the property within SSA No. 31. Said tax shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code. Said levies are intended to produce an amount annually to pay for the cost of Special Service Area No. 31 services.

All interested persons, including all persons owning taxable property located within the limits of Special Service Area No. 31, will be given the opportunity to be heard at the public hearing regarding any matters contained or referenced in this notice and may also file objections with the City Clerk within the sixty (60) day period following the final adjournment of the public hearing as provided by 35 ILCS 200/27-55. - H. The City has received a proposal to establish a special service area to pay for certain streetscape improvements within the boundaries of the proposed special service area depicted on **Exhibit A** and legally described on **Exhibit B** (hereinafter "**Special Service Area**" or "**Special Service Area No. 31**") which includes the Property referenced in Recital E above.

The Special Service Area Improvements will result in a more welcoming, beautiful, and functional streetscape pursuant to design guidelines and standards which exceed the standard streetscape improvement design provisions provided for the downtown area as set

- L. A public hearing regarding the proposed creation of Special Service Area No. 31 will be held by the Naperville City Council at its regularly scheduled meeting on February 19, 2019 at 7 p.m., or as soon thereafter as possible, and on such other date as said hearing may be continued to.
