Re: **Naperville Park District's Monthly Field Report for the Riverwalk Commission Regular Meeting**

Field Report for June, 2019:

- All beds continue to be weeded and mulched.
- Recent storms have resulted in a few lost limbs – nothing too serious.
- The two volunteer groups continue their work every two weeks working on controlling the invasives in the Sindt Woods and working with the flower beds around the downtown area.
- Trees along the walks are having lower branches removed to provide additional head clearance. All evergreen shrubs are being pruned.
- Riverwalk continues to host weekly picnic rentals and walks.

Carillon Update – provided by Brittany Malatt (NPD)

- The 7:00 pm Tuesday evening summer recital series and the 7:00 pm Saturday Pops Concerts have begun.
