

## DEFINITIONS

<b>ILLINOIS CANNABIS REGULATION &amp; TAX ACT</b>	
<b>Cannabis Business Establishment</b>	Craft Grower, Cultivation Center, Dispensing Organization, Processing Organization, or Transporting Organization
<b>Craft Grower</b>	Facility operated by an organization or business that is licensed by the Department of Agriculture to cultivate, dry, cure, and package cannabis and perform other necessary activities to make cannabis available for sale at a dispensing organization or use at a processing organization. A craft grower may contain up to 5,000 square feet of canopy space on its premises for plants in the flowering state. The Department of Agriculture may authorize an increase or decrease of flowering stage cultivation space in increments of 3,000 square feet by rule based on market need, craft grower capacity, and the licensee's history of compliance or noncompliance, with a maximum space of 14,000 square feet for cultivating plants in the flowering stage, which must be cultivated in all stages of growth in an enclosed and secure area. A craft grower may share premises with a processing organization or a dispensing organization, or both, provided each licensee stores currency and cannabis or cannabis-infused products in a separate secured vault to which the other licensee does not have access or all licensees sharing a vault share more than 50% of the same ownership.
<b>Cultivation Center</b>	Facility operated by an organization or business that is licensed by the Department of Agriculture to cultivate, process, transport (unless otherwise limited by this Act), and perform other necessary activities to provide cannabis and cannabis-infused products to cannabis business establishments.
<b>Dispensing Organization</b>	facility operated by an organization or business that is licensed by the Department of Financial and Professional Regulation to acquire cannabis from a cultivation center, craft grower, processing organization, or another dispensary for the purpose of selling or dispensing cannabis, cannabis-infused products, cannabis seeds, paraphernalia, or related supplies under this Act to purchasers or to qualified registered medical cannabis patients and caregivers. As used in this Act, dispensary organization shall include a registered medical cannabis organization as defined in the Compassionate Use of Medical Cannabis Pilot Program Act or its successor Act that has obtained an Early Approval Adult Use Dispensing Organization License.
<b>Processing Organization</b>	Facility operated by an organization or business that is licensed by the Department of Agriculture to either extract constituent chemicals or compounds to produce cannabis concentrate or incorporate cannabis or cannabis concentrate into a product formulation to produce a cannabis product.
<b>Transporting Organization</b>	Organization or business that is licensed by the Department of Agriculture to transport cannabis on behalf of a cannabis business establishment or a community college licensed under the Community College Cannabis Vocational Training Pilot Program.

## DEFINITIONS

\*Blue shaded zoning district classifications below are currently used as permitted or conditional uses in medical cannabis zoning and are referenced within the agenda memo.
