

Memorandum

January 8, 2020 Agenda Items

To: Riverwalk Commission

From: Chuck Papanos, Riverwalk Operations Manager, 630-848-3590

Date: January 1, 2020

Re: **Naperville Park District's Monthly Field Report for the Riverwalk Commission Regular Meeting**

Field Report for December, 2019:

- The designs for the annual flower beds have been completed, RFP's were sent to the growers. Delivery will be scheduled for the third week of May.
- The mild winter start has provided us the opportunity to cut back perennials and continue with the invasive plant removal in the Sindt Woods.
- The mushroom light fixtures around the large quarry and south side of the Park District office have been replaced with bollard LED's.
- Davey Tree Service was on site for one day in mid-December to selectively prune some of the large trees at the west end of the Riverwalk.
- Staff sent two pumps to the shop for rehab, one from the Dandelion Fountain and one from the quarry, used for irrigation.

Carillon Update – provided by Brittany Malatt (NPD)

- There are no scheduled events during January.

Other points of interest:

- The Sled hill is up and waiting for snow.
- Hockey rinks and the free skate area west of the Beach has been constructed, but due to warm temps we have yet to flood the area.
