

**CITY OF NAPERVILLE & CITY OF CANCÚN
SISTER CITY PARTNERSHIP**

The Sister City partnership between the City of Naperville located in the state of Illinois within the United States of America and the City of Cancún located in the municipality of Benito Juárez, in the state of Quintana Roo within Mexico will foster mutually beneficial solutions to common challenges for these two great communities. Consequently, the Sister City relationship between the two will be one of the most important in their network of global partnerships, as it strives to:

- Encourage and publicize existing exchanges between the City of Naperville and the City of Cancún so that they can flourish to benefit a wider cross-section of the citizens of both;
- Support and promote the development of new social, economic, academic, cultural, municipal, environmental, professional, technical, youth and community programs to encourage both cities' citizens to share their experiences as a medium for learning from one another;
- Maintain an active Sister Cities Commission for the benefit of the citizens of both;
- Identify themes, common to both, that can generate new initiatives to further and nurture the increasingly powerful financial, social and cultural relationships between the cities;
- Promote key mayoral and commission priorities relevant to both Cancún and Naperville;
- Provide support to community-led programs that advance the aims of the Sister City partnership;

With the above purposes in mind, the Mayor of the City of Naperville and the Mayor of the City of Cancún solemnly confirm that these two cities are united by an official partnership as Sister Cities.
