**Every independent person or organization that has sent digital materials (counts vary by type of material--ie photographs: people, emails: companies, non-profits)*

Note: Actual number of digital items is larger as some items were combined into single documents to save space

Collection Activity:

- Pandemic Collecting Initiative launched
- Collections status report produced
- Program provided to Illinois Association of Museums members on rapid response collecting using NS as example of what every museum can do
- Research and development on Women: Waves of Change with COVID modifications planned
- Collection procedures updated to reflect changes upon reopening

Educational Programs or Activities:

- In the Business of History: Chamber webinar produced, April 30
- History Speaks Live Lecture via Zoom: Casting a Historic Vote; Suffrage in Illinois, April 19
- History Speaks Live Lecture via Zoom: A City A War: Chicago—a film and discussion with the Executive Producer, John Davies Friday, May 8 at 7:00 (Anniversary of VE Day)
- OnCell Platform revamp for summer mobile tours including 7 new tour options
- Artifact of the Day --Facebook Posts Featuring Collections and Artifacts
- Blacksmith 101 posts
- Educational programming materials updated and pre-post teacher materials revised or produced
- Building tour interpretation and training procedures updated
- Summer Camp modified for July

- Historic House Challenge planned for June: Pinecraig vs Glos House (Elmhurst) vs Victorian Cottage (Lombard). Each museum will compete for most bizarre story or artifact. Viewers vote at the end.
