Conduct the public hearing to consider a variance from Section 6-16-10 for the subject property located at 311 E. Ogden (Bill's Car Wash) - PZC 20-1-046

Gabrielle Mattingly, Planning Services Team, provided an overview of the request.

Karen Dodge presented as the petitioner for the case.

Commissioner Losurdo asked staff if alternative sign locations were looked into by staff or by the petitioner. Staff responded alternative locations were not researched, but staff would be willing to work with the petitioner.

Public Testimony: None

A motion was made by Commissioner Losurdo, seconded by Commissioner Fessler to close the public hearing.

Aye: Athanikar, Robbins, Fessler, Bansal, Losurdo, Margulies, Habel, Van Someren, Hanson

Chairman Hanson is not in support of the variance request finding the petitioner did not take advantage of the opportunity to work with City staff on alternative locations nor to investigate how the Grant Program might work. Commissioner Bansal concurs and would have liked to see other options.

Commissioner Margulies, Commissioner Robbins, Commissioner Van Someren and Commissioner Athanikar state there is a hardship on the property finding there are no alternative locations to place the sign.

A motion was made by Commissioner Fessler, seconded by Commissioner Losurdo to adopt the findings of fact as presented by the petitioner and approve PZC 20-1-046, a variance from Section 6-16-10 to allow changes to the existing nonconforming pole sign for the subject property located at 311 E. Ogden Avenue.

Aye: 7 - Athanikar, Fessler, Losurdo, Habel, Van Someren, Robbins, and Margulies

Nay: 2 - Bansal, and Hanson

Conduct the public hearing regarding proposed amendments to various sections of Title 6 (Zoning Ordinance) regarding Cannabis Facilities.

Allison Laff, Deputy Director of TED, gave a presentation on the Cannabis Facilities Text Amendment.

The Commission asked several questions to staff including: The Commission's role on the text amendment, requiring a conditional use, distance separation requirements including increasing the distance separation from residential properties to 500' and the effects on the increase, geographical dispersion of the dispensaries, the cap to the number of permits, other municipalities separation requirements, parking requirements and enforcement, and the potential square footage of the cannabis businesses.

Public Testimony:

Gabrielle Mattingly, Planning Services Team, read written comments which were submitted into the record.

Kenn Miller requested conditional uses be required, revise and limit the number of zoning districts which will allow the cannabis uses, and 1,000-foot
