G. COMMUNICATIONS:

1. City of Naperville

The City recently published an RFP for a P25 Radio System and awarded the RFP for a Computer Aided Dispatch/Mobile Data System/Law Enforcement Records Management System to Tyler Technologies. The Fire Department will soon be implementing its new First Due RMS software and council approved six additional fire personnel to provide its community advocacy CART 47 Program full time. Arres and Puknaitis are on the Region 8 CESSA Team to work out logistics in responding to 9-1-1 calls from citizens seeking mental and behavioral health support.

2. City of Aurora

The City of Aurora is completing a gap analysis for its CAD/RMS project. The consultant company has interviewed personnel from all department units to gather issues, concerns, lessons learned, and needs. The Fire Department is developing a project timeline to implement its new Purvis fire station alerting system. The anticipated completion date for the dispatch center reconfiguration is now sometime in October.

3. City of North Aurora

No report.
