**CITY COUNCIL AGENDA ITEM**

**ACTION REQUESTED:**

Approve the award of Cooperative Procurement 22-335, High Cube Camera Van Replacement (Unit 780), to Elxsi (dba CUES) for an amount not to exceed \$599,408

**DEPARTMENT:** Department of Public Works

**SUBMITTED BY:** Richard Dublinski, Director

**BOARD/COMMISSION REVIEW:**

N/A

**BACKGROUND:**

Unit 780 was reviewed and approved by the Fleet Economic Committee and Fleet Services Manager for replacement in the FY2023 budget. Vehicles are scored for replacement based on four criteria: age, usage, condition and repair costs. Recommending a vehicle for replacement requires a score 23.0 or greater. Unit 780 scored 24.10.

**DISCUSSION:**

Unit 780 is a 2012 Chevrolet 4500 high-cube CCTV van used by the Water Utility’s Collection Division to inspect underground water infrastructure, including lateral sewer lines.

The unit will be replaced with a 2021 Ford F550 high-cube CCTV truck with the appropriate CUES camera equipment and software to perform underground inspections. The new vehicle is available on the HGAC Buy Cooperative, an approved cooperative through Elxsi (dba CUES). Contract #SCO1-21. EJ Equipment, Inc. is the local authorized CUES, Inc. dealership.

Staff worked with EJ Equipment, Inc. to source an in-stock truck that meets the City’s specifications.

The unit available for delivery in 30 days and the vendor has agreed to hold delivering the unit until January 2023. The retired vehicle will be traded-in to EJ Equipment, Inc. for \$80,000 as part of the purchase of the new vehicle.

Using the City's specifications, EJ Equipment has quoted the high cube camera truck in the amount of \$599,408; a cost breakdown is provided below.

Original Price	Less Cooperative Discount	Less Trade-In	Net Price
\$ 747,348	\$ 67,940	\$ 80,000	\$ 599,408

The vehicle will be delivered in approximately 60 days.

**FISCAL IMPACT:**

Vehicle replacements for the Water Utility are funded from the account listed below. The Water Utility has proposed a budgeted of \$600,000 to replace the High Cube Camera Van in 2023. The requested award is within the proposed budget for this expense.

Account Number	Fund Description	Propose Budget Amount
41252000-551505	Water Capital Fund	\$926,200
