#### **ACTION REQUESTED:**

**DEPARTMENT:** Department of Public Works

#### **BOARD/COMMISSION REVIEW:**

N/A

#### **BACKGROUND:**

In March 2021, the City Council approved Bid 21-040, Tree Removal and Stump Grinding, to contract with experienced and qualified forestry contractors for tree and stump removal services on the right-of-way of any street or alley and on property owned or maintained by the City. This contract supplements the work of the City's in-house crews to meet the demand for parkway tree removals.

#### **DISCUSSION:**

During the original term of the contract, D. Ryan Tree and Landscape LLC and Steve Piper and Sons assisted with storm clean-up of downed trees and brush in the roadways following the June 2021 tornado. The vendors also assisted with the special brush collection for the area most affected by the tornado. On July 20, 2021, the City Council approved Change Order #1 to fund these emergency services.

Based on the vendors' performance, staff recommends extending the contract for the first option year. D. Ryan Tree and Landscape LLC has agreed to maintain the rates and terms provide for under the contract. Steve Piper and Sons has requested a 5% rate increase to offset rising labor

costs, particularly increases in salary and fuel expenses.

The term of the first option year is January 1, 2022 to December 31, 2022, with two, one-year options remaining on the agreement.

**FISCAL IMPACT:**
