CITY COUNCIL AGENDA ITEM

ACTION REQUESTED:

Receive the estimated 2019 property tax levy for the City of Naperville, including the Naperville Public Library, and direct staff to publish notice for a Truth-in-Taxation hearing on December 17, 2019

DEPARTMENT: Finance Department

BOARD/COMMISSION REVIEW:

BACKGROUND:

Pursuant to 35 ILCS 200/18-60, City Council is to determine the amounts of money, exclusive of election costs, estimated to be necessary to be raised by taxation upon the taxable property in the City. The proposed estimate of levy can then be considered for final approval by City Council at the December 17, 2019 City Council meeting. This satisfies the minimum twenty (20) days requirement between the estimate of levy and the adoption of the levy.

By law the City is required to approve and file with the DuPage and Will County Clerks a tax levy ordinance by the last Tuesday of December if the municipality chooses to raise revenue through real estate taxes. There are several statutorily required steps that need to occur prior to the filing of the levy. These steps include:

- Make tentative annual budget available for public inspection. Publish for a public hearing.
- Hold hearing on tentative annual budget; pass ordinance approving annual budget. [File with County Clerks within 30 days of approval, but before tax levy ordinance is filed].
- Estimate the amount of taxes to be levied at least 20 days prior to approval.

- Determine whether a Truth-in-Taxation hearing is required.
- Publish notification in the newspaper of Truth-in-Taxation hearing not less than 7 days and no more than 14 days prior to date of the Truth-in-Taxation hearing.
- Hold Truth-in-Taxation hearing; adopt levy.

DISCUSSION:

The chart below shows the 2018 final levy and the final 2018 extension. The 2018 levy is used to support 2019 City operations. The City is required to levy property taxes for an amount necessary to cover all debt service, therefore the 2018 levy figure is inclusive of all General Obligation (GO) debt service and the City’s initial request. The 2018 levy figure includes the abatement for debt service funded by the utility funds and other special revenue funds in the amount of \$8.66 million, this was approved December 18, 2018. Therefore, in 2018 City Council approved a levy of \$49,081,482. The amount extended to property owners per the counties was \$49,599,240, which resulted in a rate of 0.6870.

Purpose	2018 Final Levy	2018 Final Extension
General Corporate	3,137,894	3,169,442
Debt Service	20,022,986	11,486,520
<i>Debt Service Abatements</i>	(8,657,023)	-
IMRF	2,179,717	2,202,004
Naperville Fire Pension	8,406,983	8,497,570
Naperville Police Pension	6,510,973	6,577,133
Naper Settlement	2,796,952	2,830,117
Naperville Public Library	14,683,000	14,836,454
Total Levy	49,081,482	49,599,240

Staff estimates the initial 2019 property tax levy at \$60,609,773. This amount does not include abatements related to utility/special fund debt service. The 2019 levy is used to support 2020 City operations.

Per Illinois state statute, municipalities are required to publish for a truth-in-taxation hearing if the amount of the requested levy is 105% greater than the prior year’s extension. Therefore, when comparing the 2018 extension to the 2019 levy, the levy increased 22.2% (without abatements), requiring the City to hold a truth-in-taxation hearing.

To provide a more accurate comparison of the year over year property tax requirements, staff has provided the 2019 recommended property tax levy with debt service abatements. This amount of \$51,515,260 is what staff estimates is needed to support the proposed 2020 Annual Budget. This total represents the full amount to be extended including debt service abatements, this represents a 3.86% increase from the 2018 extension, and is projected to result in a rate of 0.6861.

The chart below shows the initial recommendation for the 2019 levy, with and without debt service abatements. The final 2019 extension will be determined once the final equalized assessed valuation (EAV) has been determined by both DuPage and Will Counties.

Purpose	2019 Recommended Levy	2019 Recommended Levy (w/abatements)
General Corporate	5,446,468	5,446,468
