#### **BACKGROUND:**

Special Service Area No. 33 (SSA #33) was created per Ordinance 20-106 in October 2020 as a successor to SSA #26. The purpose of SSA #33 is to levy taxes for special services related to the maintenance and marketing of Downtown Naperville. SSA #33 will expire in October 2024.

#### **DISCUSSION:**

City Council received the estimated 2020 property tax levy for SSA #33 at the November 16, 2021 City Council meeting in the amount of \$1,199,007. This proposed property tax levy for 2021 is a 3.5% increase from the 2020 final property tax extension of \$1,158,238.

Per state statute, a public hearing is required if the proposed 2021 property tax levy for a special service area is greater than 105% of the final 2020 property tax extension. Because the 2021 levy is less than 105% of the final 2020 tax extension, City Council may adopt the annual property tax levy for SSA #33 without further action.

**FISCAL IMPACT:**

The tax levy of \$1,199,007 for SSA #33 will support maintenance and marketing activities for the downtown area as included in the 2022 annual operating budget. This levy amount represents a projected tax rate of 1.6253, which is below the maximum rate of 2.5000 set by the originating ordinance.
