CITY COUNCIL AGENDA ITEM

ACTION REQUESTED:

Approve the award of Bid 23-033R, Heavy-Duty Truck Body Repair/Painting to Rush Truck Centers of Illinois for an amount not to exceed \$140,675, and for a one-year term

DEPARTMENT: Department of Public Works

SUBMITTED BY: Richard Dublinski, Director

BOARD/COMMISSION REVIEW:

N/A

BACKGROUND:

The Department of Public Works - Fleet Services Division uses an outside vendor to provide heavy-duty truck body repair and painting services. These services require specialized equipment and training.

Work under this contract includes metalwork, framework, and mechanical repairs. Most of the work performed under this contract is unplanned, resulting from accidents, mishaps, and corrosion.

In February 2023, the Department of Public Works issued Bid 23-033, Heavy-Duty Truck Body Repair/Painting to secure these services. No bids were received. Feedback from two vendors indicated the bid timeframe was insufficient.

In March 2023 the bid was released with more time for bid responses under bid number 23-033R. When these services were bid in 2018, only two vendors responded as capable of providing required services.

DISCUSSION:

Advertisement Date:	3/15/2023	Notices Sent:	247
Opening Date:	4/6/2023	Planholders:	6
		Proposals Received:	1

Bids were received from the following vendors:

Vendor Name	Proposed Cost
Rush Truck Centers	\$140,675.00

Heavy-duty truck body repair and painting services require specialized training and equipment. Vehicles covered under this contract include fire apparatus. A limiting factor is that vendor facilities must be capable of handling oversized, heavy-duty vehicles.

Staff recommends awarding the heavy-duty truck body repair/painting contract to Rush Truck Centers of Illinois. The vendor has the equipment, trained staff, and facility required to fulfill the contract for all of the City's heavy-duty trucks, including fire apparatus. They were awarded the contract in 2018, and they have provided reliable services for the past five years.

The term of this contract is one year from April 1, 2023 to March 31, 2024 with four one-year options to extend.

FISCAL IMPACT:

CIP#: N/A

Heavy-duty truck body repair and painting is expensed to the Equipment Maintenance account listed below. A total of \$743,000 has been budgeted for vehicle maintenance and repairs in 2023. The requested award is within the budgeted amount for this expense.

Account Number	Fund Description	Total Budget Amount
31351100-531303	General Fund	\$743,000
