BACKGROUND:

In 2011, left turn lanes were constructed on Mill Street at Commons Road in conjunction with the Naperville Park District's Nike Park Expansion project. With the recent development of the properties on the northwest and southwest corners of Mill Street and Commons Road, traffic signal warrants have been met for this intersection.

The annexation agreements for Nike Park, HarborChase, and Avenida are attached. Per these agreements, Naperville will be reimbursed 25% of the traffic signal installation cost by Harbor Retirement Associates, 23% by the Naperville Park District and \$184,600 by Avenida Senior Living.

Construction of this new traffic signal is included in the 2018 Capital Improvement Program as CIP# TC166 - Mill Street and Common Road.
