### **CITY COUNCIL AGENDA ITEM**

#### **ACTION REQUESTED:**

Adopt the resolution authorizing the City Manager to execute the 2022 Pace Paratransit Local Share Agreement for the operation of the Ride DuPage Program

**DEPARTMENT:** Transportation, Engineering and Development

**SUBMITTED BY:** Andrea Nair, Project Manager

#### **BOARD/COMMISSION REVIEW:**

N/A

#### **BACKGROUND:**

The City of Naperville partners with Naperville, Lisle and Wheatland Townships (collectively known as the Lisle/Naperville Transportation Partners) and Pace Suburban Bus to provide the Ride DuPage Program. The Ride DuPage Program provides transportation services for seniors and persons with disabilities. The program uses both taxis and Pace lift-equipped buses to provide curb-to-curb transportation services 24 hours a day, seven days a week. Pace recently added Uber as an additional option to meet service needs.

The Ride DuPage Program began in August 2004. In March 2008, the Ride DuPage to Work Program was added as a sub-program of the Ride DuPage program. The Ride DuPage to Work Program is specifically designed to provide a reduced fare for seniors and persons with disabilities to travel to and from work. The Lisle/Naperville Transportation Partners provide the Ride DuPage to Work Program with the Milton Transportation Partners, which includes Milton Township, the City of Wheaton, and the Village of Glen Ellyn. Federal grant funding is used to reduce the costs associated with the work trips for the local agencies. The City of Naperville is the grant administrator on behalf of all partners.

#### **DISCUSSION:**

The attached 2022 Pace Paratransit Local Share Agreement for the Ride DuPage Program includes an estimate of program costs and contributions to be made by the Lisle/Naperville Transportation Partners. Remaining program costs are contributed to through a Pace subsidy, revenue, call center grant, and grant funding. Naperville has entered into a similar agreement with Pace for the operation of Ride DuPage for several years. The estimates are prepared by Pace's accounting department and the estimated grant reimbursement is factored into this cost estimate. Therefore, the total amount expended will be beyond the total local share cost estimate prepared by Pace; however, the difference in cost will be captured through reimbursement by the Regional Transportation Authority on eligible trips through the Ride DuPage to Work Section 5310 grant funding. Finally, the cost estimates for 2022 are based on lower than typical ridership. If ridership were to increase to pre

COVID-19 levels, the cost share to Naperville would be likely higher than the current estimate.

As noted in the estimate, of the total program cost, 25.3% comes from partnership contributions. For 2022, the City's estimated total local share estimate accounts for 52% of the mileage of Naperville, Lisle and Wheatland Townships and 100% of City of Naperville residents also residing in DuPage Township. DuPage Township is not a partner in the Ride DuPage program. The local share for the small number of trips taken by the Naperville/DuPage Township residents was previously distributed amongst the partners; however, the partnership requested that these costs be solely funded by Naperville. The resulting increase is estimated to be approximately \$4,800.

In March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act (2020), and Pace Bus received a portion of this funding. Pace has passed on some of this funding to the local sponsors of the Ride DuPage program. The Lisle/Naperville Transportation Partners will receive a one-time payment of \$68,439. This amount will be shared among the partners based on the local funding share percentages that were in effect through 2021. The City of Naperville will receive \$36,478 from Pace.

<b>Naperville Partners</b>	<b>% Allocation</b>	<b>Funding Allocation</b>
<b>City of Naperville</b>	53.30%	\$36,478
<b>Townships</b>		
<b>Totals</b>		
<b>Townships</b>		
<b>Lisle Township</b>	22.80%	\$15,604
<b>Naperville Township</b>	12.45%	\$8,521
<b>Wheatland Township</b>	11.45%	\$7,836
<b>Totals</b>	<b>46.70%</b>	<b>\$68,439</b>

**FISCAL IMPACT:**

The CY22 General Fund budget includes \$345,000 for the Ride DuPage Program.
