CITY COUNCIL AGENDA ITEM

ACTION REQUESTED:

Approve the award of Bid 18-121, Traffic Signal at 95th and Knoch Knolls, to H&H Electric Company for an amount not to exceed \$306,538.15, plus a 5% contingency

DEPARTMENT: Transportation, Engineering and Development

SUBMITTED BY: William J. Novack, Director of TED

BOARD/COMMISSION REVIEW:

N/A

BACKGROUND:

In November of 2014, the 95th Street connection to Boughton Road was opened to traffic. This new connection has resulted in increased traffic congestion at the intersection of 95th Street and Knoch Knolls Road. Recent traffic volume studies and crash history indicate that a traffic signal is warranted at this location. On April 17, 2018, the Naperville City Council approved an intergovernmental agreement with Will County to construct the traffic signal on a County Highway (Item I.13). Construction is expected to be completed by the end of the year.
