**BACKGROUND:**

The Memorial Day Parade will take place on Monday, May 30, 2022. The parade is an annual event sponsored by VFW Post #3873 and American Legion Post #43.

**DISCUSSION:**

The route for the parade, including specific temporary traffic control information, is depicted on the attached map. An ordinance is required in order to tow vehicles parked on the parade route. The parade route *only* will be designated a No Parking/Tow Zone from 5 a.m. to 1 p.m. and will be posted accordingly. The parade route streets will be closed beginning approximately 9:30 a.m. until approximately 1 p.m. The streets of the parade route are opened to vehicular traffic and the No Parking/Tow Zone signs are removed as soon as the Naperville Police Department determines is appropriate based on public safety.

*New for 2022*

In order to allow the busses and trolleys to move safely around the parade route, the following streets will now be No Parking on both sides of the street:

- Mill Street - from Franklin Avenue to Jefferson Avenue
- Jefferson Avenue - from West Street to Mill Street
- Franklin Avenue - from Webster Street to Washington Street

Please refer to the ordinance for specific traffic control information.

Staff will post informational signs along the parade route beginning approximately one week prior to the event. Parade information will be available on the City's website. All other matters, including insurance requirements, will be satisfied prior to the event.

**FISCAL IMPACT:**

The VFW Post #3873 has received \$29,157 in SECA grant funds to cover the cost of City services needed for the event
