CITY COUNCIL AGENDA ITEM

ACTION REQUESTED:

Approve the award of Bid 19-005, 2019 Micro-surfacing Program, to Microsurfacing Contractors LLC for an amount not to exceed \$967,052, plus a 3% contingency

DEPARTMENT: Transportation, Engineering and Development

SUBMITTED BY: William J. Novack, Director

BOARD/COMMISSION REVIEW:

N/A

BACKGROUND:

In March 2019, the Transportation, Engineering and Development (TED) Business Group issued Bid 19-005 seeking a contractor to perform micro-surfacing and thermoplastic pavement marking removal and replacement in various locations throughout the City. This is an annual program to significantly extend the life of pavement. The City will micro-surface and restripe 9.5 miles of roadway throughout the City limits, including the auto test track. The streets highlighted in red on the attached map will be micro-surfaced in 2019.

DISCUSSION:

Advertisement Date: 03/05/19	Notices Sent: 84
Opening Date: 03/25/19	Planholders: 8
	Proposals Received: 2

Bids were received from the following vendors:

Vendor Name	Alternative 1 Cost	Alternative 2 Cost
Microsurfacing Contractors LLC	\$953,551.20	\$967,052.00
A.C. Pavement Striping Co.	\$1,027,392.50	\$1,085,892.50
<i>Engineer's Estimate</i>	<i>\$1,167,670.00</i>	<i>\$1,210,420.00</i>

The City's test track has areas containing a specialized high friction surface. This high friction surface area cannot be micro-surfaced over due to its unique properties. The area is not large enough to hire a specialized contractor to apply the product, so the high friction product was bid as an alternative.

- Alternative #1 included all the standard construction items that historically have been associated with this contract.

- Alternative #2 includes all the standard construction items that historically have been associated with this contract plus an additional line item for the application of the high friction surface product.

The engineer's estimate is based on unit prices obtained from the 2017 and 2018 Microsurfacing Programs. Both bids were less than the engineer's estimate. After evaluating the bids, staff recommends Alternative 2, which includes the application of the high friction surface product.

Work is anticipated to begin on June 17, 2019 and be completed by August 5, 2019.

FISCAL IMPACT:

CIP#: MP009 - Street Maintenance Improvement Program (MIP)

The MIP is expensed to the following accounts listed below. A total of \$11 million has been budgeted for the MIP in 2019. The requested amount is within budget.

Account Number	Fund Description	Total Budget Amount
30282200 - 551502	Capital Projects Fund	\$11,521,700.41
30282400 - 551502	Road and Bridge Fund	\$2,165,000
30282500 - 551502	Motor Fuel Tax Fund	\$3,951,338.16

Microsurfacing is one component of the overall award for MP009. The chart below breaks out the different award components and award timeframes for the MIP.

Project Name	Bid No.	Award Amount	Status
Resurfacing - MFT	19-001	\$3,175,986.00	Recommend for Award - 4/16/2019
Resurfacing - City	19-002	\$4,433,938.00	Recommend for Award - 4/16/2019
Crackfilling	19-003	\$331,710.00	Awarded - 3/19/2019
Patching	19-004	\$415,440.00	Awarded - 3/19/2019
Microsurfacing	19-005	\$967,052.00	Recommend for Award - 4/16/2019
Sidewalk R&R for Micro	19-006	\$337,985.00	Recommend for Award - 4/16/2019
Total		\$9,662,111.00	

* Per Council directive, contingency on construction projects is set at 3% on projects over \$500,000 and 5% on projects under \$500,000
