CITY COUNCIL AGENDA ITEM

ACTION REQUESTED:

Adopt the resolution supporting continued efforts to resolve public safety concerns with the Safe-T Act

DEPARTMENT: City Manager's Office

SUBMITTED BY: Marcie Schatz, Deputy City Manager

BOARD/COMMISSION REVIEW:

BACKGROUND:

During New Business at the July 19 meeting, the City Council directed staff to draft a resolution to be considered at the August 16 meeting calling for further amendments to HB 3653 (Safe-T Act).

DISCUSSION:

The attached resolution was drafted with a conscious effort to identify public safety concerns about the current state of the bill without developing specific solutions. We recognize this is a statewide law and all stakeholders need to be at the table to address the legitimate concerns including but not limited to:

1. Unreasonably limiting the imposition of cash bail
2. Unreasonably limiting police officer discretion to make arrests
3. Imposing unreasonable certification and decertification standards
4. Mandating unreasonable custodial accommodations

FISCAL IMPACT:
