BACKGROUND:

The Illinois Open Meetings Act requires public bodies to keep minutes at all meetings, open or closed. Minutes of open meetings must be available for public inspection within seven days of their approval by the public body. Minutes of closed meetings are not available to the public until the body decides that confidentiality is no longer necessary. At least semi-annually, the public body is required to review minutes of all closed meetings.

DISCUSSION:

The confidentiality of the following Closed Session meeting minutes is no longer necessary, and it is recommended they be designated as non-restricted.

Date	Item	Date	Item
11/9/2022	3a	7/18/2023	1a 2a
12/6/2022	3a	8/15/2023	1a 2a

In addition to designating certain Closed Session meeting minutes as non-restricted and continuing to maintain the confidentiality of all other restricted Closed Session meeting minutes, the attached resolution approves prior unapproved Closed Session meeting minutes.
