BACKGROUND:

Special Service Area No. 33 (SSA #33) was created per Ordinance 20-106 in October 2020 as a successor to SSA #26. The purpose of SSA #33 is to levy taxes for special services related to the maintenance and marketing of Downtown Naperville. SSA #33 will expire in October 2024.

DISCUSSION:

City Council received the estimated 2022 property tax levy for SSA #33 at the November 15, 2022 City Council meeting in the amount of \$1,252,829. This proposed property tax levy for 2022 is an 4.5% increase from the 2021 final property tax extension of \$1,199,032.

Per state statute, a public hearing is required if the proposed 2022 property tax levy for a special service area is greater than 105% of the final 2021 property tax extension. Because the 2022 levy is less than 105% of the final 2021 tax extension, City Council may adopt the annual property tax levy for SSA #33 without further action.

This levy amount represents a projected tax rate of 1.6294, which is below the maximum rate of 2.5000 set by the originating ordinance.

FISCAL IMPACT:

The tax levy of \$1,252,829 for SSA #33 will support maintenance and marketing activities for the downtown area as included in the 2023 annual operating budget.
