BACKGROUND:

Supporting the City's goal of High Performing Government to provide reliable, efficient and high-quality services to the community, in July 2018, the Water Utilities issued Bid 18-178, Royal St George Water Main Replacement. This project seeks to replace a 900-foot segment of 10-inch watermain on Royal Saint George between Cress Creek Park and Flossmoor Court. This segment of watermain has experienced a number of breaks disrupting utility service to the area. Repairing the watermain will provide long lasting service and restore reliability.
