BOARD/COMMISSION REVIEW:

N/A

BACKGROUND:

The Naperville Police Department provides uniforms for the Chief of Police, deputy chiefs, commanders, sergeants, police officers, community service officers, detention officers, animal control officers and other specialized civilian personnel. This two-year contract will cover a total of 169 sworn and 70 civilian Police personnel. The uniform requirements for most sworn personnel are established in their respective collective bargaining agreements. Uniforms, equipment, and footwear are supplied to new hires as well as approved replacements for current staff. Replacement items for current staff are reviewed through a two-tiered process and must be approved based on need by the employees' supervisor and by the training unit of the Police Department. The Naperville Police Department's uniform dress code is outlined in departmental general orders and respective collective bargaining agreements. Employees are responsible for the cleanliness and appearance of their uniforms as well as the maintenance of their equipment.

The Fire Department purchases uniforms for all staff officers, sworn shift personnel members of the Fire Prevention Bureau, administrative civilian personnel and volunteers from Naperville Emergency Management Agency. The uniform requirements for shift personnel are established in the collective bargaining agreement. Fire Department uniforms meet the National Fire Protection Association Standard #1975: 'Standard on Station/Work Uniforms for Firefighters'. A complete set of uniforms is issued to each new Fire Department employee, but individual items are replaced based on need and condition of the clothing as budgeted amounts allow. Per the collective bargaining agreement, items submitted for replacement may be appropriately repaired rather than replaced if it is reasonable to repair the item. Employees are responsible for the cleanliness and appearance of their uniforms.

The specifications for Fire and Police uniforms were combined in order to increase competition. Bids were received from The Cop Fire Shop, Galls, Fireground Supply Inc. Lawmen’s and Shooters’ Supply Inc. and Ray O’Herron Co., Inc. Firms were given the option to bid the entire bid for both Fire and Police or to provide a bid for an entire group or section of either bid. Bids were found non-responsive if costs were not given for the complete group or section.
