BACKGROUND:

School District #203 Architecture Students were tasked with the re-designing of 5th Avenue Station. A total of Eleven (11) teams participated. The winner is Villescape. Villescape's entire project is innovative, creative and provided a great visual representation of what the community would like to see at 5th Avenue Station. They solved all the issues with what was provided by designing Trillium Park, the Wright togetherments, the residential spaces and the Wright Market. All of these components were well thought out, researched and designed.

DISCUSSION:

Councilwoman Becky Anderson will present the winning team, Villescape, certificates. The team consists of Jacob Oblazny, Alex Silva and Dakota Desch.
