CITY COUNCIL AGENDA ITEM

ACTION REQUESTED:

Approve the award of of Bid 18-003, 2018 Crackfilling Program, to Denler Inc. for an amount not to exceed \$399,110, plus a 5% contingency

DEPARTMENT: Transportation, Engineering and Development

BOARD/COMMISSION REVIEW:

NA

BACKGROUND:

The Transportation, Engineering and Development Business Group issued Bid 18-003 seeking vendors to perform fiberized crackfilling on various City streets. Crackfilling consists of cleaning and sealing of any cracks, voids or joints 2" in width or less with asphalt cement reinforced by polypropylene fibers. It is a cost effective preventative maintenance technique and performed routinely can keep water and debris from getting into pavement.

DISCUSSION

Advertisement Date:	3/01/18	Notices Sent:	106
Opening Date:	3/16/18	Planholders:	6
		Proposals Received:	2

Bids were received from the following vendors:

Company Name	Proposed Fee
--------------	--------------

Denler Inc.	\$399,110.00
SKC Construction Inc.	\$401,260.00
<i>Engineer's Estimate</i>	<i>\$450,250.00</i>

The engineer's estimate is based on prices from the 2017 Crackfilling Program, which received bids in March 2017. The cost difference is likely attributed to the fact that larger agencies such as the Illinois Department of Transportation have smaller capital programs this year, which results in more competitive pricing for the City.
