CITY COUNCIL AGENDA ITEM

ACTION REQUESTED:

Approve the award of Option Year Two to Contract 16-011, Street Sweeping, to Waste Management of Illinois for an amount not to exceed \$175,000

DEPARTMENT: Department of Public Works

SUBMITTED BY: Richard Dublinski, Director

BOARD/COMMISSION REVIEW:

N/A

BACKGROUND:

The Department of Public Works uses an outside vendor to provide scheduled street sweeping service to keep the City's streets clean and presentable. In addition, street sweeping assists in eliminating potential pollutants from entering the storm sewer system. This contributes to the City's compliance with the Environmental Protection Agency's (EPA) National Pollution Discharge Elimination System Program (NPDES). The work consists of the satisfactory removal of all sand, stone, debris, refuse, dirt, and other materials which may be accumulated on the entire width of roadway areas.

City Council awarded Contract 16-011 to Waste Management of Illinois on June 2, 2015 for a three-year term with two, one-year options to extend the contract. The first option year was approved by the City Council on March 6, 2018. The total award includes approximately 53 centerline miles, totaling approximately 120 curb line miles of arterial streets. Under this contract, all arterial streets are cleaned twice a year. In addition to these sweepings, there are special request sweepings for parades, festivals, special events, emergencies, accidents, and severe weather events at pre-determined hourly rates.

All streets not defined as part of the arterial street network are considered residential streets for this contract. These include cul-de-sacs, dead ends, and alleyways. These streets total approximately 470 centerline miles, or 1,175 curb line miles. All residential streets are also cleaned twice per year.

The City's in-house sweeper is primarily used for the downtown area and city parking lots, additional sweeping on residential streets to address isolated issues, special events and other emergency sweeping.

DISCUSSION:

Waste Management has performed well providing the specified street sweeping services for the past four years and has agreed to renew the contract for an additional year with no increase in costs. Staff recommends the extension to Contract 16-011 for the second option year. The term of the final extension is May 1, 2019 through April 30, 2020 with no additional option years available.

FISCAL IMPACT:

CIP #: N/A

Street Sweeping is expensed to the operational service accounts listed below. A total of \$194,500 has been budgeted for contracted street sweeping in 2019. The requested award of \$175,000 is within the budgeted amount for this expense.

Account Number	Fund Description	Total Budget Amount
31251100-531308	General Fund	\$1,607,225
31251200-531308	Commuter Parking Fund	\$242,450
31254300-531308	SSA #26 Fund	\$472,520
